

**CHART YOUR COURSE
SEPTEMBER 18-22, 2009**

**HERE ARE A FEW REASONS TO
HAVE AN 'ALL HANDS ON DECK' ATTITUDE
AND ATTEND THIS YEAR...**

1 In-Depth Breakout Sessions

Choose from 46 breakout sessions to see exactly how other people like you are using RRM.

4 Networking

The user conference is a networking goldmine. Bounce ideas off other users and visit the Customer Gallery.

2 Ask The Expert

Got a nagging challenge or desire? Special thirty minute sessions will be available - our experts can help you one-on-one.

5 Product Pavilion

Learn more about the solutions that our Strategic Business Partners have to offer. The results will enhance software solution investments.

3 Interactive, Hands-On training

Are you a new user or do you need help creating reports? Sign up for the many hands on training sessions!

6 Immediate Impacts

Take home quick improvements to better leverage your RRM investment; features to improve productivity; ways to decrease redundant operations and increase your bottom line.

Quote from 2008 Conference

Another well organized, informative gathering of the smartest & most sincere people I've had the pleasure of meeting, working with and learning with.

Thank you!
