

Compleat Software partners with ProfitKey as their AP automation & purchasing partner for the manufacturing sector.

ATLANTA, GA / SALEM, N.H., March 21, 2022 – Compleat Software today announced a new partnership with ProfitKey. This new partnership will give ProfitKey’s customers access to best-in-class supplier invoice automation, online buying, & digital procurement.

“We’re excited to partner with Compleat Software to provide our customers with the very best AP & P2P automation,” says Kevin O’Keefe, ProfitKey CEO. “Automating business purchases, along with the processing of supplier invoices of those purchases, will give our customers the edge over their competitors & help optimize their bottom line. “

“A partnership with ProfitKey was a no-brainer as our software lends itself perfectly to the manufacturing sector,” says Bill Hammer, GM (USA) at Compleat Software. “We look forward to developing this partnership & helping ProfitKey’s customers achieve the extraordinary.”

The new partnership will bring new capabilities to customers including:

- Invoice capture including 3-way matching
- AP Automation
- Purchase requisitions & approvals
- Fully integrated punch out capabilities for Amazon Business & others you may wish to develop
- Purchase Order workflow with receipt of goods & receipt of invoice
